

## F70LA Yamaha 4 Stroke 70hp Long Shaft EFI OUTBOARD FOR SALE

OUR PRICE: \$7,360.93

### Description

#### F70LA Yamaha 4 Stroke 70hp Long ShaftEFIOUTBOARD FOR SALE

The new F70 is a further development of the F60, sharing the same displacement and stroke. The engine is lighter than any competitive four stroke or direct injected two stroke motor in the 70 - 75 horsepower class. The F70 achieves this by its unique four valves per cylinder design activated by a single overhead camshaft rather than the conventional dual camshaft design for 16 valve engines. This reduces the weight that would result from having an extra camshaft and the components that go with it.

For a remarkably light engine, the F70 punches well above its weight. Four valves per cylinder have dramatically increased this engines volumetric efficiency - the efficiency with which the engine can draw fuel and air in and push exhaust out of the cylinders. Increasing this efficiency means the F70 is able to run at a higher rpm with the max operating RPM being increased to 6300rpm. The resulting top end performance will be great for boaters who want to get to their favourite spot first - and who doesn't?

Brisbane Yamaha has an experienced team of Yamaha-trained service technicians who specialise in outboard fit-outs. We offer exceptional service and have Australia's best Yamaha outboard prices, ask around... we know our customers and we know Yamaha. It is why Brisbane Yamaha is one of Australia's largest Yamaha dealers.

Please note: Yamaha Australia requires that all Yamaha outboards sold must be fitted by the selling Yamaha dealership. This is the only way to protect your warranty and guarantees the best performance from your Yamaha outboard.

Available in:

- F70LA- Electric Start, Tilt System - Electric Start, Transom height - Long
- F70XA- Electric Start, Tilt System - Electric Start, Transom height - Extra-Long
- F70LHA- Electric Start, Tiller Handle, Tilt System - Electric Start, Transom height - Long

General Features:

- Remarkably light engine
- Single Overhead Camshaft designed for 16 valve
- Impressive 6300rpm

Price includes:

- Outboard
