Description

T60LYamaha 4 Stroke 60hp Long ShaftEFI- HIGH THRUST OUTBOARD FOR SALE

Yamaha’s T60 High Thrust four stroke has been designed to deliver the grunt needed to push big loads with ease.

Based on the standard F60 with one big difference; a higher gear ratio allows this motor to spin a larger propeller minimising slippage and getting more power to the water when you need it most.

- Perfect for yachts or pontoon boats
- EFI for great performance and reliability
- Power tilt and trim

The T60 come standard with Yamaha’s patented dual thrust propeller that allows exhaust to escape in the opposite direction when in reverse. This gives the propeller access to undisturbed water in both directions for better traction and effortless maneuverability.

Brisbane Yamaha has an experienced team of Yamaha-trained service technicians who specialise in outboard fit-outs. We offer exceptional service and have Australia’s best Yamaha outboard prices, ask around... we know our customers and we know Yamaha.
